[Regd.] Postcard 7549.

By Appointment.

Cromer Pier was formally opened by Lord Claud Hamilton on the 8th June, 1901. The structure is 500 feet long and 50 feet wide, with an expansion to 112 feet at the pier-head, where is situated a handsome band-stand. Here, well sheltered from the wind by awnings, the visitor can listen to the band and enjoy the sea-air in perfect comfort.
